

Evolution

High Performance Bespoke Canopy System

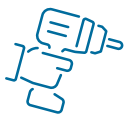

BRINGING YOUR GARDEN ALIVE ALL YEAR ROUND.

Build better outdoor living spaces for you and your family, rain or shine, by installing an EVOLUTION canopy kit for your residential project.

Evolution Features

- Ultra-durable patio canopy with polycarbonate sheets. Multi-functional outdoor structure, designed for superior protection all year-round.
- The eaves beam cleverly doubles as an integral box gutter utilising the support posts as downpipes, with the rainwater exiting through the variable height post feet.
- The canopy is glazed with 16mm multiwall polycarbonate sheets offering greater flexibility in canopy design with enhanced strength and rigidity.
- The system can accommodate pitches from 5 degrees to 20 Degrees.
- Elegant and modern stylish canopy design.
