Why choose Clever Click?

Clever Click is designed to provide all the stunning detail and outstanding natural beauty of conventional wood and stone floors – but at an affordable price.

Simple yet stylish patterns, that capture the natural elegance of stone and wood, create a feeling of tranquillity in a room.

Inspired designs, combined with the practical advantages of wear-resistant vinyl, create floors that function effectively in any room or environment.

Choose from the **Clever Click Plus** and **Clever Click** ranges – contemporary and classic designs that ensure you'll always find something to match your style.

- ◆ Gives any space a warm atmosphere.
- ◆ Adaptable to interior styles.
- ◆ Makes any space bigger and brighter.
- ◆ Natural palette so doesn't date quickly.
- ◆ Dirt-repellent and low maintenance.
- ◆ Ideal for renovations.

It all starts with a solid foundation...

Xtrafloor Power

Made of up to 90% natural raw materials, our Power standard underlay is 100% recyclable. Power boasts excellent thermal conductivity, making it the perfect choice for rooms with underfloor heating or cooling.

This elastic underlay smooths out small subfloor irregularities; 1 metre wide x 10 metres long x 1.55mm thick. Its lightly tackified surface prevents LVT movement, allowing for an easier installation of your vinyl floor. The protective film captures all dust particles, making it possible to install the underlay while carrying out other work in the room.

Xtrafloor GO

Is noise affecting your living comfort? Or are you trying to meet the current building regulations? Acoustic underlay is just what you need. Perfect for upper floors or flats in multi-storey buildings, GO blocks different types of noise, from footfall to vibrations.

Extensively tested and officially certified, this sound-damping underlay shows outstanding impact sound reduction values of ΔLw=19dB in combination with 4.5mm Clever Click Plus or Clever Click.

A remarkable performance backed by official certificates. Enjoy the peace and quiet with Xtrafloor GO. Suited for under floor heating and cooling, the extruded closed-cell polyolefin foam material increases your floor's thermal insulation.

Roll size: 980mm wide x 15.3 metres long x 1mm thick.

- Total solution for residential purposes
- Smooths out subfloor irregularities 5mm in width, 2mm in height
- Improved sound insulation ΔLw=13dB with 4.5mm Clever Click Plus or Clever Click
- Lightly tackified surface and dust-capturing protective foil for easy installation
- Smooths out subfloor irregularities 5mm in width, 2mm in height
- Improved sound insulation ΔLw=19dB with 4.5mm Clever Click Plus or Clever Click
- Non-skid coating for quick and easy installation

Starter Kit

The starter kit is designed to keep your luxury vinyl floor looking its best for years to come and includes:

- 1L cleaner maintainer
- 500ml floor spill cleaner, flat cap loose trigger
- 1 pack of felt pads
- 1 non-abrasive sponge/scourer
- 6 blue cleaning cloths
- Promotional literature
- Instruction sheet

Xtrafloor Cleaner Maintainer

Our concentrated cleaner has a fresh aroma for routine cleaning. Suitable for use with all cleaning methods including manual, spray buffing and scrubber-drying. Availability: 1 ltr / 2.5 ltr.

Xtrafloor Spot Remover

A ready to use cleaner with a fresh aroma and formulated for removal of spills and other deposits. Availability: 500ml.

Xtrafloor Hand Roller

Ensures a smooth click. A handy tool that, unlike hammers, will not damage your Clever Click floor.
